## UPON THE SQUARE

*Torry Thompson, WM*

Hello Brethren, I would thank everyone for your support and commitment for the 2022-2023 year. Consolidating and continuing to make good men better, will be our theme going forward. I'm looking forward to being installed this coming communication officially as the Master of the Lodge. Congratulations to the new officers and a special thank you to Most Worshipful Stephen Robison for all your support and wisdom.

I would also like to thank Past Masters Randy Subia and Dan Furth for their leadership and determination throughout the last two years of Covid protocols and a consolidation. We truly thank you both and appreciate your efforts.

Lastly, I plan on having a great year of building relationships and bonds within the lodge and across the state with our brethren. Happy Easter to those that celebrate and respectful observance for those that do not.

## ON THE LEVEL

*Gregg Moore, SW*

My Brethren, I sincerely hope you are all doing great and feeling well. We, as Brothers, have a lot to accomplish this year, and I look forward to meeting all of you sooner rather than later. We get to have the new Worshipful Master Installed in April and can get started on the real work we need to do to help better our community. As always, I like to send out a positive message every month that hopefully helps set you up everyday with something good to read.

Quote for the month...

*"The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, and to have it make some difference that you have lived and lived well" - Ralph Waldo Emerson*

## HELP!

18 of our 78 members have not made their obligation of paying their dues. That represents \$2,250 shortfall in meeting our 2022 budget of \$7,672. We are also exceeding our postage budget because many members have not provided email addresses for communication.

Be proud to be a Mt. Rose mason as we are prepared to offer four local high school students a scholarship for higher education.

come to a meeting and share your ideas and support your lodge!
