

## February Stated Cancelled

# Trestle Board

## UPON THE SQUARE

*Randy Subia, WM*

Hello brothers,  
I hope all of you are well and Covid free. If there are any brothers that require any assistance please reach out to one of your lodge brothers so we can help.

Edict No. 3-2022 is still in affect and we therefore will not be having a stated meeting for the month of February.

I would like to take this opportunity to thank everyone for all the hard work that has been done and is yet to be done to get both lodges consolidated and in order for business. As soon as we are able to resume work again we will be preparing for the installation of the 2022 officers.

Stay safe and let's have a great year despite this bumpy start.

## ON THE LEVEL

*Gregg Moore, SW*

My Brethren, As I write this, I'm not sure if we will be able to see each other for the Stated meeting in February yet. With that in mind, I sincerely hope you are all doing great and feeling well. I do look forward to our dinners and meetings resuming monthly without any hiccups. I hope you all have had a good start to 2022. As always, I like to send out a positive message every month that hopefully helps set you up everyday with something good to read.

Quote for the month...

**"There is something really amazing about you. Your unique ideas and thoughts that you bring to this world. Your smile, your laugh. It's you and you are valuable, worthy, and cherished."** - Rachel Hamilton

## MASONS SUPPORTING OUR COMMUNITY

We have selected Project 150 to be one of our sponsorships. This organization is dedicated to serve homeless, displaced, and disadvantaged students so they can focus on high school and graduate. We have helped with food, clothing, and school supplies. Also, we provided scholarships so that some of these students could go on to TMCC.

Noah is one of these students who completed his first semester at TMCC with A's and B's. We committed to pay for his second semester which will provide him with a certificate which will allow him to pursue his career goal of becoming a graphic artist.

Masons offer a helping hand! Looking forward to offering more help when needed.
