UPON THE SQUARE

Randy Subia, WM

My brother's I hope all is well with you and yours. Looking forward to gathering again in May for stated meeting. Glad to see most Worshipful Robinson and Cole Tripp along with brother Dave Thiel at our meeting. For the brothers that are unable to attend we wish you well, don't be afraid to reach out to your brothers if the need for help arises.

Our GMOV is slated for September 1st and I am currently reaching out to the Master of Mount Rose #40 so we can put together a plan to make it a successful GMOV. I ask that all Brothers stay vigilant in their safety by wearing masks and social distancing and hopefully we can get past this pandemic and begin to move forward with large business and events.

We will be having a guest speaker from Project 150 prior to our meeting at 6:30 PM so be sure to mark your calendars.

Stay safe and looking forward to seeing you in May.

My Brethren, Well, for those who made the meeting last month it was great to see you. I am looking forward to seeing all of you at the meeting in May. As always, I hope you and your families are all safe and well. I look forward to having dinner with all of you soon.

Quote for the month...

"Sometimes the "smallest" changes can have the biggest influences on the quality of your life. The twin secrets are acknowledging your weakness and challenging it with new information."

THE TEST

Author Unknown

Several years ago, the story is told of a Mason who always wore his Masonic ring and lapel pin when in public. On some occasions, he rode the bus from his home to the downtown area. On one such trip and when he sat down, he discovered the driver had accidentally given him a quarter too much change.

As he considered what to do, he thought to himself, "You'd better give the quarter back. It would be wrong to keep it." Then he thought, "Oh, forget it, it's only a quarter; who would worry about this little amount." Anyway, the transit company gets too much fare; they will never miss it. Accept it as a 'gift from God' and keep quiet.

When his stop came, he paused momentarily at the door, then he handed the quarter to the driver and said, "Here, you gave me too much change."

The driver with a smile replied, " I noticed your Masonic ring and lapel pin. I have been thinking lately about asking a Mason how to join. I just wanted to see what you would do if I gave you too much change. You passed the test. Can you tell me how to become a Mason?"

When the Mason stepped off the bus, he said a silent prayer, "Oh God, Grand Architect of the Universe, I almost sold you and my beloved Masons out for a mere quarter."

Our actions are the only Masonic creed some will ever see. This is a really almost scary example of how people watch us as Masons and may put us to the test even without us realizing it! Always be diligent, whether it be at the theater, restaurant, grocery, service station or just driving in traffic.

Remember, whether it be a lapel pin, a ring, or an emblem on the car, you carry the name of our great fraternity on your shoulders whenever you call yourself a Mason. You never can tell who might be watching!

Good men search for Freemasonry; Freemasonry makes them better.
