

# Trestle Board

## UPON THE SQUARE

*Torry Thompson, WM*

Brethren, I would like to thank everyone for filling in for other officers last month during the stated. With a special thank you to our Past Grand Masters and Officers that filled in, I really appreciate you all.

As we continue this year and the merger, reach out to brothers that we haven't seen in a while and encourage them to join us in lodge. We have brothers that are in waiting for degrees at all levels and we need the support of the lodge to get these brothers raised. I'm counting on all of you and your experience to keep our lodge moving forward and growing. For the next stated meeting I encourage everyone to bring an additional brother with them.

This month we will be celebrating Memorial Day, remembering the fallen men and women of our armed forces who have given the ultimate sacrifice for this great nation and it's democracy ensuring the freedoms and liberties we enjoy daily. As we stand united, let us not forget that we are better and stronger together than we ever could be divided.

*"When everything seems to be going against you, remember that the airplane takes off against the wind, not with it." - Henry Ford*

## Trestle Board Communications Going Forward

At April's stated meeting it was decided, with unanimous consent, to discontinue the mailing of our trestle board, with this issue being the last to be sent by this method. We will continue to send our trestle board via email and it will continue to be available on our website which can currently be reached at <http://www.benfranklin45.com>.

Extenuating circumstances may be considered on an individual basis through the secretary of the lodge.

## ON THE LEVEL

*Gregg Moore, SW*

My Brethren, I hope you are all looking forward to continued warmer weather as I am. With everybody's schedules so busy, it will be great to get together, break bread and catch up with all of our Brothers in May. As always, I like to send out a positive message every month that hopefully helps set you up everyday with something good to read.

### Quote for the month...

*"How did it feel to fail 1,000 times?"*

*Edison replied, "I didn't fail 1,000 times. The light bulb was an invention with 1,000 steps."*

*"Great success is built on failure, frustration, even catastrophe." - Thomas Edison*

## TREASURER'S DESK
