UPON THE SQUARE

Randy Subia, WM

Hello my brothers, hope all is well with you and your family. At our November stated meeting it will be step-up night for our officers, so officers be prepared to move to your new station.

Reminder to all our brothers that the 157th Annual Communication of the Grand Lodge of Nevada is being held at the Atlantis Casino in Reno, NV. The Annual Communication will be held on Sunday November 7th - Tuesday 9th. A public opening of the Most Worshipful Grand Lodge will begin at 9:00 AM for all Masons, their families, and friends, with the Grand Lodge officially convening at 10:30 AM, November 8th.

The members of Benjamin Franklin Lodge No. 45 have unanimously voted for consolidation. At this moment we are waiting on the consolidation vote from the other Lodges to determine our next steps.

Looking forward to seeing all the Brothers for our Stated meeting starting at 7:00 PM but please join us for dinner starting at 6:00 PM.

Stay well, stay vigilant and be safe.

I hope you are all having an amazing start to the winter months, and able to get out and enjoy the sunshine and the cooler weather. I look forward to seeing you all at our November step up meeting. Look forward to a wonderful dinner before the meeting and dessert afterwards.

Quote for the month...

"It's all about mindset. From the moment we wake up, to the moment you rest your head at night...everything is up to you. Your emotions, your thoughts, your reactions...every moment is up to you."

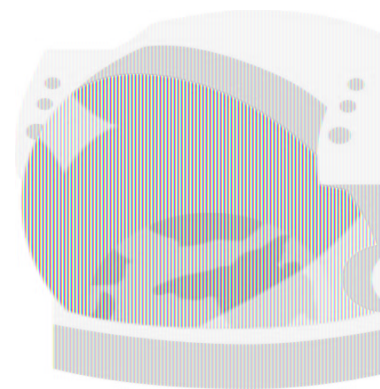

THE MASON ON THE MOON

Buzz Aldrin is famously the second man to set foot on the moon, a few minutes behind Neil Armstrong, on July 20, 1969. He can take solace knowing he was the first Mason on the moon.

During the Apollo 11 mission, Aldrin, of Clear Lake Lodge No. 1417 in Seabrook, Texas, carried a special deputation from then-grand master of Texas J. Guy Smith authorizing him to claim Masonic territorial jurisdiction on the moon on behalf of the Grand Lodge of Texas.

Today, that connection is commemorated through Texas's Tranquility Lodge No. 2000 (named for the Sea of Tranquility, where the lunar rover landed). According to its website, Tranquility Lodge "is based in Texas under the auspices of the Grand Lodge of Texas until such time as the Lodge may hold its meetings on the Moon." For now, the group rotates among meeting sites and holds an annual event in Waco. It has pledged \$50,000 in support of the Astronaut Scholarship Foundation, first created by NASA astronauts.
