

Trestle Board

UPON THE SQUARE

Daniel Lee Venters, WM

Brethren, we will have Lodge on October 7th at 7:00 pm with dinner being served at 6:00 pm. I believe it is time to brag on our Junior Warden, who has been serving up some very nice meals plus very tasty dessert after the meeting. It has been a really good time for all of us to sit down and break bread with each other, so we can get to know one other better, plus share stories that each of us wish to tell about ourselves. We would be very pleased to see all of you present for dinner at our next

meeting, so we could hear those wonderful stories you would like to share.

We are still having work and instruction every Monday of the month and our first Monday will be on October 5th. This would be a great time for us to help each other with ritual work, plus prepare for the upcoming elections of officers as we are fast approaching November 4th, which will be step-up night this year. I know we have a wealth of

talent and knowledge among the Past Masters, so if you can spare some time, we would all appreciate your input.

As always, if someone needs a ride to and from any of the meetings, please call me at 842-5876 and I will gladly serve as your chauffeur for the evening.

ON THE LEVEL

Robert L. Ammerman, SW

I look forward to the Work and Instruction on Monday nights; because it is a time I can set aside to learn. Sometimes it is only a couple of us, occasionally more. I'm always hoping more will attend to make it a more rewarding experience. I've noticed as I age I need a lot more time

to learn and require a lot of practice. It used to come so easily! Would you consider coming and helping me? I'd surely appreciate it. Everyone is invited, even if you only want to visit!

If you haven't been to Lodge in awhile we would encourage you to

come see and help us grow. If you're having health issues please let us know as we'd like to keep you in our thoughts and prayers. And if you need transportation to and from the meeting just call me at 775-626-7175 and let me know; I'd be happy to give you a lift.

A MASONIC INCIDENT : THE CRAFTSMAN (1866)

MasonicEducation.com

A little incident, containing some mystical interest, transpired in Wayne county, South Carolina, during the late war. It is as follows:

It was late at night, the husband was absent, and the wife, alone with her children, had retired. Three or four soldiers rudely knocked at the door of the house, and demanded entrance and something to eat. The good lady told them that it was too late, that she had nothing cooked, but fearing they would break the door, she got

out of bed, and opened it to expostulate with them.

They insisted that she should cook something for them, and while she was getting ready, and they were roaming about the house, one of the party, who seemed to be the leader, happened to find a copy of Mackey's "Masonic Jurisprudence." Turning over he found the name of the poor, frightened woman's husband written on the fly-leaf.

"Is this your husband's?" he inquired of the lady. "Yes sir," was the timid reply.

"Is he a Mason?"

"Yes Sir."

"Come, boys, right about-march!" and immediately the house was cleared and quickly closed.
